RE: Acknowledgement of Solid Waste Facility Notification for Solid Waste Transfer Facility; SRC Oil & Fuel Waste Transfer Station; 5726 Northwest Market Street, Glendale, AZ 85301; Place ID Number 150985.

Dear Mr. Chirumbolo:

The Arizona Department of Environmental Quality (ADEQ), Solid Waste Unit (SWU), has received your Solid Waste Facility Notification for the **SRC Oil & Fuel Waste Transfer Station**, dated May 9, 2017. The notification has been reviewed and is deemed to be complete.

In accordance with A.R.S. § 49-762.07(F), the **SRC Oil & Fuel Waste Transfer Station** shall be operated in a manner that:

1. Controls wind dispersion and other surface dispersion of solid waste from the facility so that the solid waste does not create a public nuisance or pose an imminent and substantial endangerment to public health or the environment. Visible solid waste that is dispersed beyond the boundaries of the solid waste transfer facility shall be collected on a regular basis by the operator of the transfer facility;
2. Does not discharge hazardous substances as defined in A.R.S. § 49-281 to surface water, groundwater or subsurface soil in a manner that creates a public nuisance or poses an imminent and substantial endangerment to public health or the environment;
3. Controls vector breeding and fire hazards;
4. Utilizes reasonable measures to control public access; and
